

Arizona

Department of Transportation

The Arizona Department of Transportation (ADOT) is a multi-modal transportation agency in one of the fastest growing areas of the country, responsible for planning, building and operating a complex highway system in addition to building and maintaining bridges and the Grand Canyon Airport. A major component of the organization is the Motor Vehicle Division which provides title, registration and driver license services to the general public throughout the state of Arizona. ADOT also publishes the award-winning Arizona Highways magazine. It takes many different kinds of people to keep transportation moving! ADOT values its employees, challenges them to continuously improve the way we do business, to meet and exceed the needs of our customers, and to carry out their duties in an ethical manner.
